

HEALING OF A CYST

—The testimony of Toula Patros—

May 31, 2009

Dear beloved in Christ,

I am writing to share with you a great miracle I experienced after I received holy oil and holy water from Saint Nektarios Monastery.

For the past 6 months I had been concerned with a cyst that has been growing in my body, but I had postponed having surgery with the faith that Jesus would heal me.

My family has earnestly been praying for me and a couple of weeks ago I received holy items from 2 special places: holy leaves from the tomb of Saint Anthimos in Chios, and holy oil and water from your Monastery. In faith I drank the tea from the holy leaves and every morning I took 1 teaspoon of holy oil from Saint Nektarios and 3 teaspoons of holy water from Saint Nektarios. In one week the cyst dried up—it was the size of a walnut—and dropped in my hands in a tissue paper.

I praise the Lord for this great miracle that took place through the intercessions of two great Saints of the Church, Saint Anthimos of Chios and Saint Nektarios of Aegina.

Thank you for distributing holy oil and holy water to people who visit Saint Nektarios Monastery.

With love and respect,
Toula Patros
